Curriculum News -

Assessments:

We have completed most of our Assessments for Term 1 and our children have worked hard throughout this term. Teachers will be finalizing all assessment tasks by Tuesday, 5th March 2019. We are very proud of the effort our learners have put into their school work and assessments throughout the term. Thank you to all our wonderful parents for assisting your child in preparing for these assessments.

Textbooks & Reading/ library books:

All our school textbooks and reading books are school property. As they are very expensive, it is important that we take care of them. Please remember that if any of the textbooks and reading books are lost or damaged, you will be required to cover the cost or replace these textbooks/ reading books.

Swimming:

General:

Healthy Lunch:

There are many children who bring chips, sweets and fizzy drinks to school which they eat early in the morning. Please encourage your child to keep these treats to be eaten after school as the sugar content affects their concentration in class. Pack fruit, veggies, biltong, nuts etc. as an alternative snack with their sandwiches. A bottle of water or fruit juice is a better option for children rather than fizzy drinks like Coke, Fanta etc.

Fundraising:

A big thank you for supporting all our fundraising initiatives.

REMINDER:

- Hot dogs will no longer be sold on a Friday
- Popcorn will be sold on a Wednesday & Friday
