

Newsletter 2 Term 3 By Headmistress Mrs A Khupe

Dear Parents
 "Be a strong woman, so your daughter will have a role model and your son will know what to look for in a woman when he's a man." UNKNOWN

To all the women and mothers here: The girl child will become anything you encourage her to be. Encourage your girl child, niece, sister, to tackle any challenge and live up to their dreams.

Our theme for this term is growing. Encourage children to take care of plants by watering and cultivate a culture for the love of plants and vegetation. Finally, lets watch the weather reports and dress the children appropriately as temperatures fluctuate during this season. Please remember to send an extra water bottle.

Keep safe.
 Mrs A. Khupe

- **IMPORTANT DATES TO REMEMBER**
